Upon entering the Virtual Membership Meeting, please make sure to enter your first and last name.

We do have one bylaw amendment to vote on this year, in addition to important information from the APTA-South Carolina Board of Directors. We hope that you will plan to attend!

- During the Membership Meeting, you will have the ability to use the “raise your hand” function to ask a question. We will be monitoring this and will call on you and unmute your line to verbally ask the question
- In addition to the “raise your hand” function, the Zoom meeting platform has a chat function. We will be monitoring and responding as appropriate in the chat, or verbally for everyone to hear the question and response.
- If you call in to the Virtual Membership Meeting, you will not be able to use the “raise your hand” or chat functions. If you plan to join us on the phone, but would like to ask a question, please text your question to APTA-SC President Kristen Mason at 864-608-0434.

If you have a question, please identify yourself with your first and last name so we can properly identify you and follow up if needed.

The agenda will be posted online at www.APTASC.org on the home page along with the 2020 membership meeting minutes. We thank you for your active participation and look forward to exploring this exciting new opportunity to meet our members where they are!

Thank you,
